To

The Firms dealing in Boilers.

Enquiry No. 1936.

BOILERS.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the undermentioned schedule, in the form printed below :—

Schedule.

Item No.	Description of material offered	Quantity	Price quoted F. O. R.	Time of delivery
1	Vertical cross-tube boiler of 4 ft. diameter by 8 ft. height with a working pressure of 150 lbs. per square inch to be supplied complete with all the necessary mountings and the following accessories :— 1. Stop valve. 2. Safety valve (preferably a Rams bottom safety valve). 3. Combined feed check valve. 4. Blow-off cock. 5. Two sets of water gauges. 6. Pressure gauge (with an attachment for the Inspector's gauge). 7. An injector with necessary valves. 8. Chimney.	One.	Bangalore.	

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

(1) The price to be quoted should be for delivery f.o.r., Bangalore City Railway Station only. If quotations for delivery at other stations are given the approximate railway freight from the place of despatch to Bangalore City Station should be separately mentioned.
(2) Complete specifications of the boiler with illustrations offered should be furnished.
(3) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

(4) The quotations should be superscribed " quotations for Vertical Cross-tube Boiler " and sent to the undersigned with the above enquiry Number.

(5) This enquiry will be closed on the 21st September 1936.

No. S. P. C. 4141-65, dated 3rd September 1936.

To

The Firms dealing in Electrical Equipment.
